HACKMoR 2026

SUSTAINABLE DEVELOPMENT GOALS

Sustainable Development Goal Addressed

- **Theme-**

- **Problem Statement Title-**

- **Team Name-**

- **Team Member details-**

PROBLEM STATEMENT

- Comprehensive Description of the Problem statement.

METHODOLOGIES/ FLOWCHART OF THE SOLUTION

- Explanation of how the Solution Effectively Solves the Identified Problem

- Flowchart

- Innovative Aspects and Distinctiveness of the Solution

TECHNOLOGY USED

- Technologies to be used (e.g. programming languages, frameworks, hardware)

BUSINESS CANVAS MODEL

- Briefly describe all components of the Business Model Canvas as applicable to your solution

MARKET SIZE/ TARGET CUSTOMER/REVENUE MODEL

- Market size (₹X Cr), target customers (Indian SMEs), revenue model

COMPETITION ANALYSIS

- List major competitors and explain how your solution is different or better.

REFERENCES/CITATION

- Citations and Links to Related Research and Reference Sources

SOLUTION DEMO

- Show a live demonstration or walkthrough of the proposed solution
